for **big**
commercial
waste savings

Printed on Evolution 100% Recycled and printed on an Indigo 5000 using waterless technology.

Updated February 2011

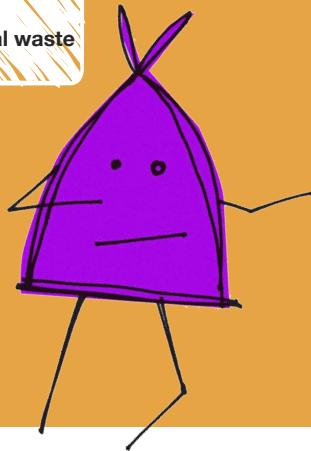

Save over 40% on the cost of your regular collections with Ealing BID and First Mile.

We've teamed up with the easy recycling heroes First Mile to save you yet more money on the things you can't avoid – like commercial waste collections.

FirstMile

40%

That's the savings you could make by switching to Ealing BID and First Mile's commercial waste collections

How much could I save?

Simply by switching your commercial waste collections to the service we've arranged on your behalf with First Mile, you could make annual savings of up to **40%**.

Typically, and depending on the amount you need collecting, this could save Ealing businesses like yours up to **£1448.00** per year on sacks, tape and collection.

£1448*

Typical saving throughout the year on sacks and tape.

*calculations available on request
